

CALIFORNIA ASSOCIATION
OF CRIMINALISTS

The 3rd International Conference on Criminal and Environmental Soil Forensics Meeting Announcement

The California Association of Criminalists, California Department of Justice, and Soil Forensics International have joined with the American Society of Agronomy, Crop Science Society of America, and the Soil Science Society of America International Joint Meeting in Long Beach, California to host the 3rd International Conference on Criminal and Environmental Soil Forensics from November 2-4th, 2010.

The topics that are expected to be presented at this conference include:

1. The use of forensic geoscience in the intelligence community
2. Legal issues facing forensic geoscience practitioners
3. Novel methods for the analysis and characterization of forensic geoscience material
4. Case studies involving forensic geoscience evidence
5. Environmental forensics – case studies and methods
6. Forensic geoscience methods for locating burial sites

Mark your calendars and come join us for an exciting chance to attend this unique blend of soil experts and forensic geoscience experts from around the world!

Meeting Contact: Marianne Stam: marianne.stam@doj.ca.gov

More information to come.
