Number: 14-001

**Title:** Best Poster Award

**Date Approved:** January 13, 2014

**Related to By-Laws/Policy Statement number:** N/A

**Superseded by Policy Statement number:** N/A

**Purpose of this Policy Statement:**

To codify the creation of a standing award for the best poster presented at each CAC seminar by a CAC member.

**Detailed Policy:**

To encourage the presentation of scientific work in poster form at CAC seminars, the Board of Directors and the Awards Committee agreed to create a "Best Poster Award."

The winner of this award will be chosen by the same three-member panel of judges that will be responsible for choosing the Alfred A. Biasotti Most Outstanding Presentation Award. These judges will be given evaluation sheets by the Awards Committee at the start of each seminar and will utilize these sheets to make their selection. Then, the sheets from all three judges will be returned to the Awards Committee and the scores tabulated to determine the overall winner of the Best Poster Award.

The award will consist of a credit to the winner's online CAC account in the amount of \$50. This credit can be used toward payment of membership dues, journal orders, seminar registration, study group luncheons, etc. The award will be credited to the winner's account as soon as the Board is informed of the winner's name.
